PLEASE BRING THIS CATALOGUE WITH YOU

An Invitation

IT is indeed with pleasure that we cordially invite you to be our guests on September 12, at which time we will disperse our entire herd of Scotch Shorthorns.

Due to the pressing attention of other business relations we are faced with a perplexing problem. Rather than carry on with an uncertain breeding program, we have decided to sell our entire herd. It is not that we have lost faith in the breed, for on the contrary, to us the Red, White and Roan shall always remain as the foremost among the writers of bovine history.

Throughout the past twenty years we have endeavored to improve our herd by the service of sires of exceptional merit and the occasional addition of outstanding females. Although the cattle have been only a part of our farming operations, a plan of careful selection and continuous elimination have made them a profitable enterprise. Our surplus stock have always been moved at satisfactory prices without the aid of extensive advertising. However, on those occasions when individuals were offered in the auction ring they have met with the enthusiastic approval of many buyers.

This, our first and last sale, will consist for the most part of not highly fitted or pampered cattle, but well-grown, good individuals backed by the most prepotent blood. It is our sincere hope that the entire offering will be as profitable and as much source of enjoyment for their new owners as they have been for us during the past two decades.

BURRUS BROS.

Guarantee

(Endorsed by the American Shorthorn Breeders' Association)

1. Proper care shall be given by the purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with the herd when under twenty months of age. In case of failure to be a breeder notice shall be given to seller by the time bull is twenty months of age or within six months of date of purchase.

3. Cows with own calves at side are considered breeders. All other cows and heifers, sold as single lot guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale and not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase, but seller may, if he desires, have the animal returned for a period of retrial not to exceed six months. The expense of return freight in such case is to be paid by the purchaser. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case animal proves not to be a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage to go to the seller. It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.

5. All animals are sold subject to a sixty-day retest for tuberculosis or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by State veterinarian, who is cooperating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.

6. Certificates of registry and transfer will be furnished with each lot sold. Shipment to be made as soon as possible after close of the sale without trouble to the purchaser, but at their risk of loss or injury.

FAIRMEAD CADET 1916913—Here we offer you an opportunity to buy a proven sire. His low-set, blocky conformation combined with extreme smoothness and quality make him an animal capable of heading any herd. He has been used extensively during the past two years and many of his heifers will be offered in this sale. To those who feel a bit skeptical, we invite you to see him with his calves. What is a better way to judge a sire than by his offspring?

DREADNAUGHT ADVENT 1978482—One of the feature attractions of the sale—a son of the International Grand Champion, Sheik of Leveldale. He has improved every day that we have owned him and carries the earmarks of a great sire. His rugged, blocky confirmation, his smoothness of flesh and quality throughout, combined with a wonderful head leaves nothing to be desired in a herd bull. Although we will have no calves by him sale day we feel sure that they will live up to all the expectations of their new owners. Don't let this opportunity pass, for only in dispersions such as this do they present themselves.

Not many daughters of this great sire are still in existence today—certainly but few with a pedigree such as this cow carries. Note the names that appear on both sides, not one, not two, but many outstanding individuals. We need offer no apology for this grand cow, for at 11 years old she is still a credit to any herd. She has probably produced more good females for us than any cow that we have ever owned. Sells bred to Dreadnaught Advent on March 5th.
